

Authorised Person “NHS Estates” Operations versus Projects Training Course – Eta-17

COURSE OBJECTIVES

This course is designed for Estates staff who, as part of their duties, have responsibility for NHS Estates Operations.

The course is also designed for project managers who need to liaise with NHS Estates on the delivery of their project.

The main objective of the course is to provide delegates with an in-depth understanding of the challenges faced by Estates Operation staff in their day to day duties and the additional challenges imposed when projects are been undertaken on site.
